“ Rob and I worked together for 25 years. We had a very special relationship both at work and outside of work. We crew up together helping to build BHA into a great company. I know Rob was very proud of helping lead that growth. We had so many memories, some great laughs, disagreements, late nights and many hugs. He was a big part of my life and he will be missed. To you Rob, a toast to the heavens. And I know you are looking after God and will take care of him. Love ya buddy.
