Tribute Wall

“ *It is with much sadness that my family mourns the loss of Bob Penn. He passed away on Saturday, March 28th at GBMC. Although the hospitals are on lock-down, they made an exception and Mom was able to spend time with him to pray and say good-bye.*

Bob was born on 9/10/42 in Baltimore. Marty and Bob met in 1981. They were both divorced with 3 kids each. Bob arrived on the scene just as Marty's kids were starting families. Being a grandfather or "pop" to his growing brood of grandchildren was a role that he cherished and was very good at - the kids adored him as much as he did them. Bob also adored Marty's parents Peg and Tom - together they enjoyed quite a few road trips to New York, Maine and Canada in addition to many weekends at his condo in Ocean City.

He was a successful and educated businessman with a MBA in Economics in addition to multiple certifications in his field. He started his career in corporate business and retired from the Army Corp of Engineers.

Bob was a wonderful husband, son, father, step-dad, brother, grandfather and most recently great grandfather.

Rest in peace Bob, we will miss you.

Your loving stepchildren, Mary, Suzi and Jack
