our work place is just not the same without you! We all used to enjoy coming to work because we didn't know what you would do next. And everyday your name comes up or we all have a good conversation about the things you did. I know I miss you a lot.

“ My husband Timothy and I have know Reed for over 30 years and will miss his larger than life personality and the great times that we have shared with him. I remember how much fun we had searching for his first house together and all the events in our life that he shared with us and our daughters through the years. We will never forget him and all the joy he brought to us and our family!

“ My cousin Bobby who ALWAYS and I do mean ALWAYS made me laugh, sometimes til the tears rolled down my face is one of the greatest men that this planet ever had....he was kind, honest, sincere, a guy that always put his family first, a man of faith, caring, gentle but strong, the BEST laugh ever, and never without a smile even til the end. I loved hashing out the Ravens and O's with him, he was so passionate about his hometown teams, as am I, and i'm not sure the games will ever be quite the same again not having him around to smack it all out with at the next family gathering! I just returned from the viewing and I must say I thought when I saw him I was going to fall apart but he was lying there so peaceful and SMILING...he really was...he had a crooked little smile on his face and I knew he was at peace..so many memories im not sure what my "favorite" could be labeled as but I will say when we were all together just 2 and 3 weeks ago (yes we were fortunate to spend back to back weekends at family events) between him and the crab mallet with no head on the top of it, and him on his mission trying to buy back his childhood house and then the whole ordeal with Forrester Ave. and handing out those papers with the mortgages had me laughing so hard....also Lauren's wedding and his seat right under that box that stuck out (after all he's only 6' what? 5? lol..guess ya had to be there but if I had to have any final lasting memories its those last 2 weekends we were all together....tons of fun he was and will always be in our hearts...I love you cousin and may you rest in peace until we meet again.

“ My wife & I worked with Bob at St. Joe's Hospital & I played softball with him. I can't tell you how sorry we are for your loss. Once we heard the news the only thing we could do is remember the good times and how Bob made everyone laugh and what a joy to be with, we will never forget. Our thoughts and prayers go out to Betty & family

“ I am Boz's (Tim Bosley's) sister Diana. Will never forget Reed as I have known him for what seems like forever. Will never forget being in 10th grade at Towson High when he and Tim were in 12th. Every time he saw me in the hall he will yell there is Boz's sister Hi Boz's sister as loud as he could and everyone would stare at me like a had a couple of heads.....but that was Reedalways fun to be around. Will truly be missed. My sincere sympathy to his family.....what a loss.

“ Bobby will be missed by anyone who knew him. He was a kind loving man and was taken from us too early, but our Lord must have had plans for him. I am so sorry for your loss! Keep the memories alive and he will always be there for those who did not get the pleasure to know him. I will keep you all in my thoughts and prayers. Love you all!

“ *I attended St Pius X with Bobby. He was one of the first friends I made as the new kid in 6th grade. Played many games of football with him at recess. Also was on a duckpin league with him in 8th grade. We lost contact after St Pius but I often have thought of him. A truly great guy.*

“ I count myself lucky to have known Bob for so long. From the time that Ralph P. introduced me to him 38 years ago at his bowling league (was it Colt Lanes or Towson Lanes off of Joppa Rd). For many years, myself, Phelps, Clisso, Reason, Patinella, and even Wrzesien (Rick) had a lot of fun - - trips to CA, Canada, Colorado, Wildwood, NJ. It was a blast and is more special now as the years have slipped by. Reed had a bevy of friends that also knew and loved Bob for many a year. Bosley (from Towson High), Gangler (from St. Joe's), his old softball team. We all were very connected each other with like interests in sports, notably our love for the Baltimore Colts (Reed was a passionate long-time season ticket holder that carried through to the start of the Ravens) and Orioles. Our gang's jaunts down to the Civic Center to watch the Clippers, Skipjacks and even the Blades. We all just had a helluva a great stupid time whenever Bob was involved. While every friendship has its ups and downs, I always considered Bob to be one of my closest if not closest friend.

With mine and Kilroy's (that's my wife - - last name of course!) sincerest condolences to Reed's beloved mom Betty, his sisters and extended family. He is with God now.

I will miss him terribly.

P.S. It was Reed, who famously called us by our last names and that's how we all continue to address each other. He was also famous for his many euphemisms, predating that woeful Berman on ESPN - - I'm certain he stole that from Reed.
