“ *Patty,
Carrie and I are so sorry to hear of Teto's passing. There was a warmth that just radiated from him in any setting. Please let us know if there is anything you need. Miss giving you a big hug, but it will be waiting for brighter times. Love, Vince Greene*

“ *Dear Patty, I am so sorry for your loss. Although I haven't been to the Wednesday morning service in a few years, I think of that small group often. Teto was a wonderful gentleman and I loved hearing his thoughts and perspectives. Take care, have faith, and I hope our paths cross again once we all get the vaccine.*
