“ *Uncle Bob. That is what he was to my children. To my wife and I a cherished and much loved friend. I met Bob in 1983 when I rented a room in his house, after I had taken a job in Baltimore. Less then a year later my wife and I purchased a home a little over a block away. He was, in many ways, the big brother that I never had. We all miss you.*

“ *I always think of Bob at Christmas time. When he lived on Mt Royal Terrace he organized, purchased, and distributed garlands for our porches and doors. Our houses looked great thanks to Bob! He brought the neighbors together in the true spirit of the holidays!*
