“ *What a shock - Mickey and Ron were great friends while we were all in Heidelberg in the early 60's.*

“ *My heart felt condolences to the family. Mickey and Amanda you made me feel so welcomed and you where so helpful. Your whole family was a joy to be around. I enjoyed every day I was able to be there to help Ron feel more comfortable. He said to me he was not afraid to pass and was at peace but knew it would be hard on those he left behind. May you cherish the memories you have and keep a joyful spirit. You have such a beautiful family. ♡♡*

“ *My thoughts and prayers are with the Bond Family. Worked many years ago with Ron and he always made his employees feel nothing but respected. When I passed the word on of his illness and later passing there was nothing but fond memories from the University of Baltimore staff.*

“ I will always remember the summers Rod Bond would drive up with Amanda to Vermont to stay at Fiddler's Green (and play LOTS of golf, atleast I think that's what they did :) Even though we (Kate, Kelly, Amanda & I) were tweens and young teens at the time I always felt like he treated us like adults, which was so so cool. Listening to The Spinning Doctors will always remind me of those summers. Thinking of you Amanda and sending hugs to and the whole Bond extended family. - Amy Kitt

“ There are so many wonderful memories of Ron. What I remember most is his wry sense of humor and smile. He could bust my chops better than anyone and I loved him for it. He was always there to lend a hand when I needed him, which was often. I can still hear him on his birthday in Heidelberg, yelling "you couldn't get a nun drunk," as he almost fell through the hundreds of years old windows in Seppl's. He honored me by calling me "little sister" the last time we said goodbye. I can't imagine this world without him in it, but he will always be in my heart and in the hearts of all whose lives he touched. Prost Ron Bond!

Love, Haines

What a wonderful tribute to Ron. One of my duties at UB was to cover the office while he had drinks at Jay's Deli with Andy, Dave, Nancy, et al. - the good old days! -Linda Ruley
