“ *My wife and I met Ron a number of years ago. My wife, Donna, had met Beth while they were in the hospital when they were young and formed a wonderful friendship. When Beth married Ron and they moved to Delaware that's when we had the opportunity to meet Ron. When Donna and I made our annual trip from Tampa to Baltimore, we made a plan to meet up with Beth and Ron.*

*You didn't have to talk with Ron very long to understand what a great guy that he was. We laughed and talked about old times and how I met my wife Donna when I was a committee member on the Buddy Deane TV show.*

*We'll miss our friend Ron but we do so with the knowledge that we will all meet again when our Lord and Savior, Jesus Christ, calls us home.*

*We pray that God will bless and comfort Beth and family during this difficult time.*

*Love, Otts and Donna Tolson*

“ I grew up next door to Mr. Ron and his family. One of my favorite memories included him taking me, along with his family, to Memorial Stadium to see the Orioles play. We had great seats behind home plate towards the third base side Orioles dugout and Eddie Murray hit three home runs. I cheered so much that I lost my voice. He was a good person and I miss him very much. My prayers for Miss Beth and Renee.

“ *I found out late in life that Ron was my cousin... not just the husband of my good friend and classmate Beth. We shared information and enjoyed this relationship. Ron was wonderful and will be greatly missed by all. Sending Beth and Renee our love.*

“ Ron was a very special person. He loved his Beth, Renee and Stacey with all his being. He honored and respected his parents, especially looking after his mother, who only recently passed. That's what is important in our short time on earth. We disagreed politically and had many discussions back and forth. But, unlike many others we could remain friends. I will collect on that pizza someday in Heaven. May his memory live on.
