“ My father was such an extraordinary man. He dedicated his entire life to providing for my mother and my 5 siblings. My dad showed me the very best example of how a loving husband should be. He was a true gentleman, and really set the bar high for any man that would enter my life. I inherited most of my physical features from him, as well as his love for animals and the outdoors. My world is forever changed without him, but I will go on feeling grateful that I was blessed having the best dad a girl could ask for.
