“ Aunt Rosie,  
*I will always remember the wonderful times we had growing up; singing around the piano, and laughing so much with your boys! I loved how you spoke about Jesus like He was your best friend. I remember one evening we were coming over to visit and we couldn't find a parking space anywhere so we went back home. I was so disappointed. I cherish the little still life pictures you had copied for me. You were so very talented. I know you are now rejoicing with so many who loved you! I'm sorry I couldn't attend your memorial service being so far away in Texas, but I was with you in spirit! We will all be reunited one of these days in heaven. I love you. Stephanie*

“ *A tribute from Rosie's sister*

*Dear Rosie,*

*I love and miss you so much and what am I going to do without our daily phone calls?*

*There are so many great memories to share. I would like to first say that I was always amazed at the strength and courage you had during the most difficult of times. Your love, faith, trust in God and devotion to his Holy Mother got you through!*

*Love of art was evident everywhere one looked in your house and I'm sure the wall in the awards room was running out of space. Your skills didn't end with the arts. You had the skill to repair small electrical appliances and when you wanted a gazebo for your lovely garden it was as simple as calling the hardware store for material needed. With hammer in hand, mission accomplished in no time. You were full of surprises!*

*I can just imagine the wonderful reunion with Urban, Eddie and all who love you when God called you home and the door was opened as you knocked on Heaven's door.*

*I know Heaven must have a rose garden and I know too, that another beautiful Rose has been added to it. God Bless dear sister. Rest in peace. Til we meet again. Love, Jeanie*

“ Aunt Rosie--We love you and we miss you! You were a wonderful aunt and so much fun to be around. And always encouraging and enthusiastic about what was going on in our lives. I loved talking to you about art, and seeing all the wonderful things you created. Like the bridge you built in your backyard over a pond! Or your paintings and drawings and sculptures. And always so impressed every time you won a big award at the State Fair for your crocheting. Oh...and every time we visited you always made the best meals. Attaching a photo of you and I and Ron and some wonderful manicotti you made for us during a 2017 visit, plus you and I on your porch. Much love to you and Rosie, and thank you for being such a great aunt!  
Love, David

“ *I'm going to miss you, Aunt Rosie. I have so many memories of the times when we'd visit you or when I got older, you and I would have long chats on the phone. The phone chats were special because between the two of us, we solved many of the worlds problems, or so it seemed. And I remember you always saying "I love you, sweetheart" before ending our phone call. I love you too, Aunt Rosie.*

*Your Aunt Rosie introduced my Mom to her future husband. My Mom was Daisy Stambaugh when Rosie introduced to her to her cousin John Gagliano back in the mid 1940's. And the rest is history. I remember her when I was a small child visiting my Mom when we lived on Burke Avenue in Towson. My father Johnnie died young at the age of 23. Prayerful condolences. Cindy Gagliano Hutson*

“ Aunt Rosie,  
You were a great aunt to have and be with as I was growing up. It was always so much fun going to your house, and over these past few years I enjoyed our phone conversations regarding the latest news, current events or anything in general. You had a great sense of humor and a great way to look at things. You will be missed. God bless you.

“ *My dear Aunt Rosie was the best aunt in the world. She and I shared some wonderful adventures when I'd visit her, including researching our Sicilian ancestors. She had the best sense of humor and was an excellent cook. Her arts and crafts skills were phenomenal, with many ribbons awarded from her entries at the Timonium Fair. Aunt Rosie was a devout Catholic, and said her rosary everyday. We loved sharing views on religion and politics. She had a very kind and generous heart, and loved caring for animals, including her precious bird Pepper, and her hummingbirds. I could go on and on about this wonderful Sicilian lady. Aunt Rosie, I'll never forget you and all your kindness to me. I love you.*
