“ *I have always remembered Aunt Rose to be such a kind woman. Whether it be in her voice, her smile, or in her eyes, she always gave such a kindhearted feel to everyone around her. Even though I didn't get to see her as much as I would have liked over the years, it has been an absolute honor to have known her at all. Thanks for always making me feel good when I was around you Aunt Rose. I hope you keep an eye on all of us that are still here and I look forward to seeing you again at the Rainbow Bridge. :-)*
