“ Sallie, Richard and all the Wolfe family: I have done business with Russell over the years as we are in the woodworking machinery business. Russell was a great, great guy with a tremendous heart. He will be sorely missed in our industry by all he touched with his expertise, guidance and knowledge, and of course, his wonderful sense of humor! We are very sorry for your loss....

“ Rosemary and Miranda our thoughts and prayers are with you and your family at this time. Your Dad/Grandfather was just the best. Only meeting him for a short time he was so very helpful and on point with his measurements in making certain things fit just right. He will be missed and always remember. If you need anything please don't hesitate to call. Mike Grohe and Lisa Mielke

“ *Russell was the kindest, dearest man that God ever created. His energy was amazing and his mind was as sharp as a tack. His devotion to all things he loved was exemplary especially to my sister, Pat, when she was battling cancer and eventually died. Caring for and losing two wives to cancer would be devastating to most, but he got back on his feet and found Sallie who he loved and adored. I know you kids will find comfort in knowing that Russell is now with your mother in Heaven.*
