“ I will dearly miss my Aunt Ruth. She always kept in touch with me over the years and we would chat about so many things - crafts, the wonderful people who took care of her and she would always ask about my family and my cat and dog. Sometimes she would share stories about when she was younger and she always made me laugh. She was such a caring and kind person who I loved very much. I will miss our little chats.

“ Growing up with my sister Ruthie I was the middle child Nancy Jean was the younger sister. The early years Ruthie age 11 was very protective when it came to her little brother age 7. Ruthie would ward off the neighborhood bullies and any other kids she did not like. I remember she wrestled to the ground one kid with Ruthie sitting on top of him.
My loving sister also gave me the nick name of "Johnny Alfred". I will never forget her loving protective ways.
Good bye Dear Sister Ruthie I love you and will remember you and the life we shared. 💕

“ Ms. Ruth always sent me cards on my birthday. I never really knew her but she liked what I wrote on the Idlewylde email server list and always thought of me. We talked on the phone a bit and I offered to come over with my guitar a few times. She always said she had folks looking after her. I will always remember her sweet cards and her lovely voice when we conversed. I wish her family peace and support and love!!! "Spice" 1208 Regester Ave. Idlewylde, MD

“ Our thoughts and prayers are with you. We had the pleasure of living across the street from Ruth for many, many years. I can remember countless times sitting in the living room with Ruth talking about her cat projects and sales at JoAnn Fabrics as well as getting advice on my sewing projects. Ruth loved the holidays - all of them! - and loved decorating her house. She was always kind and welcoming and we could not have asked for a better, more caring neighbor than Ruth.

“ *Ruth was so much fun to talk to. She was full of life, loving her husband, daughters, cats, dolls, and her home. She was a woman of multiple talents and was do endearing to all who had the privilege to know and love her. I shall miss talking to her over the years. Her passing has left a huge tear in my heart. God bless Ruthie! Love you.*
