“ *Lew and Family-We were so sad when we heard of Sarah's passing! We had some good times with you both during our Loyola College years and Lew you were the first of our Biology class of 72 to get married. We had a blast exploring California, Nevada, Arizona, Texas and the rest of the USA on our car trip with no air conditioning from San Francisco to Baltimore during the hot summer of 1974. We will always treasure those times and enjoyed seeing you two on many of our trips to Baltimore thru the years. Sarah is gone, but not forgotten! Our prayers are with you and your family!* ”

“ So sorry for your loss, Libby and Devlin families. Sarah was a wonderful person. The Costello family remembers the Devlins and Winchesters with great fondness from our earlier years at St. Mark's, Catonsville, Fenwick and Hunting Hills. You are in our thoughts and prayers. With love and sympathy from Peco's Gang, the Costello second/third cousins.

“ Aunt Sarah will be greatly missed. She was a wonderful godmother to have, always positive and supportive. Sending love, thoughts and prayers to Uncle Lew, Erin and Karen and their families. I will be at the funeral in spirit. I truly wished I could be down there with you.
