"Rest in Paradise"

Holidays will never be the same without you. Your memories will forever live on until we meet again

"In my Heart"

I thought of you today  
but that is nothing new  
I thought about you yesterday  
And days before that too  
I think of you in silence  
I often speak your name  
Now all I have are memories  
An your picture in a frame  
Your memory is my keepsake  
with which I'll never part  
God has you in his keeping

I have you in my heart

"The Angels"

The angels came to visit my uncle Sean last night and now he is at peace with laughter and the time I spent with him.

I miss him already, it's a sad time for all of us.

But our love for him will be safe in our hearts.

I am glad he is in no more pain and will be with loved ones who are their with him. love always - Uncle Sean

Brother

Today is full of memories of a Brother laid to rest and every single one of them is filled with happiness.

For you were someone special, always such a joy to know and there was so much pain when it was time to let go.

That's why this special message is sent to heaven above, for the angels to take care of you and give you all my love.
