“ *To the family*

*Sending sympathy to the family on the loss of a delightful, talented Senior Center member. It was wonderful to interact with her in the center, and to see her art work. Please know there are many who have such great memories of Miss Shirley.*

“ *Shirley has been an active member of Bykota Senior Center for many years, taking classes and serving several terms on the Bykota Senior Center Council. Shirley was an accomplished painter and often exhibited her work at our Art Shows. I personally own three of Shirley's paintings and I treasure them. Shirley was our "go to person" for help with advertising, decorating, and willingness to share her creative ideas. We have missed Shirley during the last year as she had been too ill to attend; however, her name was often in our conversations. Her death leaves a void for us. I send my sincere sympathy to her children whom she dearly loved and cared about.*
