“ My sincere sympathies go out to Nancy & Stephen’s siblings. In the few times I was in Stephen’s company, I found him to be VERY friendly & comfortable to be around. I know Nancy more, & knew they checked in w/each other every day. May he now help his family from his place in heaven. ❤️ Helen Lacy

“ Steven and Kelly and Nancy and the whole Farmer family had a pleasant , Southern charm and true hospitality , residing in the large “Hidden Waters” home/estate and later in Homeland. I always enjoyed my time together with Steven and Kelly, and , even though we have drifted apart over the years , I will miss Steven and the memories we had together.

“ I have such fond memories of long, lovely, lazy summer days spent with Steven and Kelly at Hidden Waters - raiding the multiple fridges stocked with gourmet goodies left over from a U of Maryland function held at the house, paying miniature golf, driving around town to "Born to Run." Steven was always such a gentle, sweet soul as well as a "gentleman" in the truest sense of the word. My heart breaks for you all.
