“ *To Sue's dear family. I felt privileged to have Sue in my life and count her among one of my dearest friends. I will always cherish the times we spent together on trips, at the theater, and wonderful dinners. I will always admire her spirit and courage while dealing with such a devastating diagnosis. I know how close Sue was to all of you and I pray that the many wonderful times you shared will help you get through this most difficult time. I'm so sorry I won't be able to attend the service as I will be recuperating from surgery. I wish you all the best and may Sue forever rest in peace. Barbara Bernstein*

Sue and I worked at the Office Of Disability, Woodlawn. She was always so positive and fun to talk to. I used to look for Sue at Maryvale events I attended with my wife. She last talked with us at Bluestone. Love, Bill and Kathleen Bennett.
