“ Our family spent many a wonderful Christmas Eve in Susan & Paul's home, and we will never forget the joy they both took in those celebrations. You were always the cool aunt and uncle, an honor we poor parents could never hope to aspire to! Myles & I miss you, your home, your food, your animals, but mos of all, your smiles. May you both rest in peace, in each others' arms, now and forever. Love,  
Myles & Gloria

“ We love you, Susan, and are glad that you and Paul are together again. I know it must have been a happy reunion when you saw him, Carol, and Jim, as well as your Aunts Sis and Margaret. Although we miss you, we are glad that your earthly pain is over, and you are resting peacefully with the Lord.

Love always,

Roy and Joyce
