“ My parents, Art and Connie Baumgartner, were good friends with her grandparents, Ann and Harry McKenna. I remembered the name Bissell, and once or twice had a chance to talk to Susannah Bissell. I did ask her if she knew Harry and Ann McKenna and she told me they were her grandparents. I was at St. Stephen's Green as my brother Fr. Tom Baumgartner was also living there. I talked to Susannah when I saw her. She was always friendly, but quiet, and she appreciated me reminding her of Ann and Harry.  
May she rest in peace!  
(Sorry this is so late. I did not see it until just now.)

“ Dear family,  
I worked with Susan at Sinai Hospital for about six years in the early 1980s. She was a very capable and caring nurse to our patients on an inpatient psychiatric unit. .  
We were also friends outside of work . She was adorable and very funny.  
We took several weekend trips to New York where she introduced me to one of her her preppy friends who lived in Soho and we ate and shopped our way through the city.  
We once took a girls cross country skiing trip with two other friends in Western MD, I don't think any of us did too well on skis lol but we had a ball! If I can find my photo of the trip I will share.  
We know how much she loved her sister and we pray that she is reunited with her beloved family now.  
I am so sorry for your loss.  
With deepest sympathy,  
Nancy Rosenberg
