“ *I'm so sorry to hear about Butchie's passing. A memory I have is she lent me a gown to wear at a formal sorority dance. We had fun trying them on & she helped me pick out the prettiest one. Butchie & Bill let us rent their condo for a family discounted price and how I made her laugh when I said "this is sure a step up from the tent camping. Tom & I offer our condolences to her whole family.*

“ *Dan and I are so sorry for the loss of your Mom. Grandmother and Great Grandmother. We have so many many memories of your Mom going back to the days your Mom and Dad lived in North White Plains, New York. She was the most loving and caring person I have ever know. She would do anything she could to help someone out. She was a dear friend to me and we shared many talks. Our vacations together were so much fun and laughter. Since she got sick I miss my special talks with her, she helped me out of my down times and always made me feel better. I know she is with your Dad, whom she loved so much as did he love her to the moon and back. Please know we are thinking of all of you and sorry for your great loss. Love Dan & Sue*
