“ *Son in Law - Clarence Hall:*

She was one of a kind - always interested in things around her. She liked looking at a book on our coffee table - in the living room - that showed you how to fix things in the house. She loved to sit out on our deck and look at the backyard garden and admire the emerald green tree tops (trees in the backyard). She enjoyed crab cake platters on our backyard patio from Bill Bateman's.

She used to tell us funny stories from her childhood era, she will certainly be missed by us - Clarence and Karen. She was a wonderful person to have known in this world.
