“ I love you so much Aunt T. You were such an amazing influence on me. I wish I would have lived closer and had more of an opportunity to be around you. Thanks for all the "David" stories. Thanks for the tutoring. Thanks for the love and patience you had for me. You were my absolute favorite Aunt and my life is the amazing life it is today partly because of you. Until we meet again.....Jacqueline

“ Bobby & Stacey,

We are so sorry for your loss...and both so close together. What an amazing presence Aunt Theresa and Uncle Ralph were in our lives. They were so proud of their "kids" and were so happy to be "Bubka and Judek" to Zach, Miranda, and Molly. You made them so happy.

As kids we would visit our (then) Aunt "Sister Martha" with our folks in her class room, where the adults (her brothers & sisters) would gather to talk....often in Polish... so that us cousins wouldn't understand what they were saying. There was always much joy and laughter. She would always have games and a "twist contest" for us!! Each child always seemed to win a prize from her prize jar. I do believe that she was everyone's favorite aunt!

By the time I was a Junior in high school, she met and married our Uncle Ralph and they moved to Baltimore. They were extremely devoted to working for the Lord together. What an awesome team they made.

I am so glad that you all came into their lives. You have added so much. You could see the spark in their eyes each time they would mention one of you. We will be keeping you in our prayers.

Love,

Cyndee (& Allen) Huminski-Johnson, and Edwin & David Huminski

AR

Sister Martha was my 2nd grade teacher at Nativity Catholic School and Church. My parents were good friends of Sister Martha and Father Roos. I am now 65 years old and continue to remember such great times with Ralph and Terese when they'd come to our home for dinner and then play cards with my parents. Because of them, I wanted to become a nun. 😊 However, we moved to Kansas when I was in 5th grade. I never did become a nun, however, the wonderful, loving, giving meaningful things that I learned from both of them, I went on to get my bachelor's degree and am now a Social Worker. I'm hoping to finish my Master's degree at some point. I just wanted to let you all know that because I was blessed to have Father Roos and Sister Martha in my life, who both taught me to love, forgive, learn and how to be happy. Bless them both. And, bless you all. Andrea (Monks) Rauch

This was the cruelest person I have ever known. She was a sadist and I celebrate her demise
