“ i truly can't say enough kind words about Tom. He was an amazing person, hard worker, dedicated husband father and a dear friend. He and I worked together for many years at Provident bank. His laughter was infectious and his willingness to help anyone was genuine. I will always remember him for his kind heart and his positive spirit. He was a leader and someone who will be missed tremendously. My thoughts and prayers are with his family during this difficult time. Carrie Dulski
