“ Tom & Joan were close friends with my parents (Will & Cass) so I would see them from time to time. I always enjoyed their company. Every year at Christmas, I did a lot of decorating and my mother would call Tom and tell him that I had put up over 1000 lights and he would act like it was the craziest thing in the world! I know they all had many good times together at OC and on bus trips. My thoughts and prayers will be with Joan, Debbie and Tommy.

“ Tom was not only a wonderful brother-in-law but a very dear friend. We shared a lot of fun times together and he will be dearly missed. One of my favorite memories, among many, was the day he turned to me made a comment and ended with Sil. He followed this up several times and I couldn't figure out why he was calling me s i l. I caught on about the third time and answered him back by commenting to B i l. Obviously he had shortened sister-in-law which then of course made him brother-in-law. We share a lot of silliness and I will always remember his love of others, his ability to talk to anyone, anytime. He had a warm and loving heart. My love and prayers go out to Joan, Deb and Tommy
