“ There are certain people you meet in life that leave indelible memories and Timmy was one of those people. Even though we met decades ago in junior high school, I can see him like it was yesterday...great smile, quiet but welcoming personality and very funny. He truly was one of the good guys. My thoughts are with your family at this time.

There is no greater loss than of a child. My heart grieves for each one of you. Prayers will be lifted as I remember so many memories of this beautiful family. “ My condolences go out to Tim’s family and friends. He was an admirable man who I looked up to while we worked together a few years past. I am fortunate to have had the pleasure to work with someone as respected and beloved as Tim. I’ll always remember the fun times we shared together. The world has lost a great person by such an untimely and tragic passing. Tim, you take care buddy. Your friend “Rooster.”
