“ I remember our Ginny with great joy and affection throughout our days at Notre Dame . After so many years my memories of her are vivid! Hugs of warmth for her family.

“ I'm sorry Ginnie - as I missed the passing of John, I am saddened now to have missed your own. Dear family, I know Ginnie as my wonderful sister-in-arms after spending hours and years knocking our "favorite" politicians and news channels together, and talking the who's who of Baltimore, Cambridge, Ocean City, and the nation. I last saw you Ginnie after the election, and very regrettfully now, I've discovered that I've been too preoccupied, and depended on your regular calls to remind me of you. How could I have been so blind? You Buddy, and Lucy will be missed and the many hours of conversation between you, me, and John are now in the books. My prayers and condolences to the entire family for the loss of someone so very special. I knew each time I came over that I would be reminded of who you loved so much - John, Tommy, and everyone in your family - (and Dr. Berg :) among the many other flowers in your life. Great stories always, and your sincere interest in my own life, your love of country and our Jesus. Thank you Ginnie (my affectionate always misspelling of your name as my final wave goodbye)

Rest in peace with Jesus Ginny. May God's peace and light shine brightly upon your family here. A truly tremendous unexpected heartbreak here. Your Ginnie will be remembered for her love, laugh, and personal attention. Goodbye Ginnie Neubauer, but just for awhile. Love, Michael
