“ *Two Christmases ago we had a little party at one of the houses. Walter danced and sang a little. He was a man of few words but when he smiled he melted my heart. He will be missed. My family is praying for his family.*

“ Walter actually had a great sense of humor . In February of this year, I asked Walter to pose for a picture for his chart and he turned his back and I took the picture. Then he turned around and smiled for me. He made me laugh so hard that day because he was funny. I will miss him. My heart goes out to Walter's Family. Know that his Arundel Lodge Family misses him dearly.

“Walter will always hold a special place in my heart. He taught me how important family is, and how we need each other to love unconditionally. He loved his family, the beach, and his outings. Love made his illness bearable.

*I can still hear his voice telling me for the 1,000th time, "You married my brother, Paul." And my reply, "Yes, Walter, I did. And we're still married!" I gained a brother the day I was married. Now I've gained another angel to watch over me.*

*Rest in peace, dear Walter. You are free from your earthly suffering. You are in the arms of God. I will help your brother mourn your passing. The tears we shed are fleeting, because the love we shared as family will live on eternally.*

“Walter will forever hold a special place in all of our hearts in the Senior Program. I will miss singing the "Brady Bunch" and "Gilligans Island" theme songs with him. He was very special to his room mates who treated him like a "little" brother always looking out for him somehow. Our condolences to all of Walters family.
