“Dad is so much part of the man I become all you have to do is look at me and you can see that. He is the true example of a servant of servants. His God his Family and his Neighbors always came first in his life.

I pray that I can live up to his example. I will truly will miss the many moments we shared both the good and the challenges. A man could not have be give a better father and true friend. I know we will share enteral life with our Lord. Until then rest in peace Daddy. I LOVE YOU
