“ *Patti and I were newly married when Culver and Bill became our best friends . Bill was in dental school and I was a senior at Hopkins on the GI bill supported by Patti . Bill talked us into going to dental school too and it worked out well for us . We moved to Anne Arundel county after graduation and really lost contact with our Baltimore friends over the years but we will always remember those good years and good times !*

Big hugs to Culver and Suzanne and all the family. Bill made Patti a Put Hubby Through School Diploma which was so professionally printed and quite large - We could never forget the time and effort put into such a gift. Fun bridge players and he and Culver were great hostesses. We wish the very best to Culver. Have an enjoyable Life Celebration..

“ *Dr. Bill was my BFF dad. He was always pleasant, nice and funny. He had the coolest dental lab in the basement. Filled with teeth, tool and beeswax. Dr. Bill and Miss Culver are the parents of my longest friend in life. They stopped by a few years ago. Dr. Bill still Made me laugh. May the memories of this dear man sustain the family during this difficult time. Hugs to all.*
