“ *A sentimental journey inspired by my upcoming 50th high school reunion led me to this tribute page for Mr. Wing. I was one of the young waitresses working at the Rice Bowl Restaurant to help pay my way through college. I have many fond memories of Mr. Wing who was a good person and a kind boss. He died within a year of my own father's death, so I know that time helps but never completely heals the pain of the loss. My sincere belated condolences to his family.*
